Kære chauffører,

Tiltag i f.h.t. at sikre jeres helbred samt forhindre yderligere spredning af Coronavirus/COVID-19:

Først og fremmest tusind tak for jeres kæmpe store arbejde med at holde den vitale forsyningskæde intakt.

For at sikre jeres helbred yderligere, sender vi vedlagt nogle gode forholdsregler vedr. afsendelse og modtagelse af gods.

Det er ekstremt svære tider for os alle, og vi skal passe godt på hinanden. Husk til enhver tid at følge sundhedsstyrelsens almindelige anbefalinger om god hygiejne, også når I er hjemme. Vi følger de danske myndigheders anbefalinger og vil løbende informere om tiltagene/situationen.

Indtil da er det bedste vi kan gøre, at holde hjulene kørende. Vi har en stor og samfundsmæssig vigtig opgave at spille her, så sundhedskrisen ikke udvikler sig til en dyb økonomisk krise også.

Med venlig hilsen,

Anders Nielsen & Co A/S – Ancotrans

Dear drivers,

Measures taken in order to ensure your health and prevent the spread of Coronavirus/COVID-19:

First of all, thank you very much for your great work in keeping the vital supply chain intact.

To further ensure your health, we hereby send you some recommendations on receiving and shipping goods

These are extremely difficult times for all of us and we need to take good care of each other. Remember to always follow the Health Board's general recommendations on good hygiene, even when you are at home. We follow the recommendations of the local authorities and will continuously inform about the measures/situation.

Until then, the best thing we can do is keep the wheels running. We have a big and socially important task to play here so that the health crisis does not develop into a deep economic crisis as well.

Best regards,

Ancotrans
